## Our Course

The Maylands Peninsula Public Golf Course is a 5,616 metre, Par 71 Golf Course set on the banks of the Swan River, 10 minutes from Perth with stunning City views.

Fresh water lakes and gentle undulations make the golf course challenging enough for those with experience, but the lack of hazards ensure that beginners are assured of an enjoyable and satisfying game, even if it is their first time on a golf course. The quality of our greens are continually praised and we've even been told they rival some of the best private clubs around!

The course is set out on the old Perth (Maylands) Airport and each hole is named after one of Australia's Aviation Pioneers. The incorporated Swanbank Bar and Café caters for pre and post game functions and is fully licensed on course to ensure that every requirement for your day can be met.

Our experienced and friendly staff are available to help you with all aspects of making your Golf Day an enjoyable and satisfying experience.
